Windy City Stairlifts releases new SeoSupersite in Chicago

www.windycitystairlifts.com

Windy City Stairlifts has just released its new SeoSupersite designed to make the experience coming in from Google in search of a new stairlift much easier and more user friendly.

The new site is designed with modern features making it easier to navigate and find the information shoppers in the market for a new Stair Chair are looking for, by phone or computer of any type or screen size.

It features touch screen image buttons that allow the user to interface with the touch of a button whether by phone, laptop, tablet or desk top in the comfort of their home.

“Our valued customers are why we continue to add new sites and modernize the entire organization” said company President Jon Tevz. ***“We have the best people in the industry working on our team. We take great pride in making the shopping experience as easy and user friendly as is possible with today’s technology. All in an effort to save time and inform our most important part of our business, our customers. You can count on us!”***

For those people considering a new Bruno stairlift or stair chair in the Chicago metro area, please check out the new SeoSupersite from Windy City Stairlift at www.windycitystairlift.com You can browse the site and give us a call and we will give you a no hassle, no obligation quote

and include all of the options designed to solve your personal mobility issues once and for all, at a great price.
